

MAILING PANEL

## WELCOME.

DentaQuest partners with the state of Florida to give your child the dental care he or she needs. DentaQuest has many dentists to take care of your dental needs.

Schedule a dental visit today! It is important that you call the dentist right away, even if your child is not in pain or having problems with his or her teeth. Regular dental care is important for your child's health.

Florida Healthy Kids Plan covers most dental care. This includes exams, x-rays, fillings, cleanings, and fluoride treatments. Your dentist can tell you what dental services your child needs. Your dentist can all tell you if the services are covered. Call DentaQuest if you have any questions about your child's dental benefits. Call toll free at 1-888-696-9557, TTY or 1-800-855-2880 Monday – Friday 7:30 a.m. to 7:30 p.m.

Your child's ID card is below. Remember to bring your child's ID card to all dental visits. Please call member services if you lose an ID card or if any of the information is wrong.

Your dental home is listed to the right. A dental home is a dentist your family sees every six months. The dentist at your dental home will provide the care your family needs to stay healthy. You can change your dental home by calling DentaQuest.
