Part II Benefits

You have the right to benefits on a non-discriminatory basis for the services listed in the Schedule of Benefits, except as limited or excluded elsewhere in this Policy, including the Schedule of Benefits. The benefits may be limited to a maximum dollar payment for each covered individual for each Benefit Year. The extent of your benefits is explained in the Schedule of Benefits which is incorporated as a part of this Policy. Please refer to your Schedule of Benefits for benefits covered under this Policy.

Part III Exclusions

1. BENEFITS ARE PROVIDED ONLY FOR NECESSARY AND APPROPRIATE SERVICES

We will not provide benefits for a dental service that is not covered under the terms of this Policy. We will not provide benefits for a covered dental service that is not necessary and appropriate to diagnose or to treat your dental condition. We will not cover experimental care procedures that have not been sanctioned by the American Dental Association and for which no procedure codes have been established.

- A. To be necessary and appropriate, a service must be consistent with the prevention of oral disease or with the diagnosis and treatment on (1) those teeth that are decayed or *fractured* or (2) those teeth where supporting periodontium is weakened by disease in accordance with standards of good dental practice not solely for your convenience or the convenience of your dentist.
- B. Who determines what is necessary and appropriate under the terms of the Policy: That decision is made based on a review of dental records describing your condition and treatment. We may decide a service is not necessary and appropriate under the terms of the Policy even if your dentist has furnished, prescribed, ordered, recommended or approved the service. Such a determination is made by a licensed dental practitioner.

2. WE DO NOT PROVIDE BENEFITS FOR:

The *Schedule of Benefits* provides a summary of dental services or items for which coverage is not provided under this Policy.

Part IV Other Contract Provisions

1. BENEFIT PAYMENTS FOR SERVICES BY A *PARTICIPATING DENTIST*

Benefits are provided under this Policy only for services provided by *Participating Dentists*. The amount if any, that you may be required to pay your *Participating Dentist* is explained in the *Schedule of Benefits*. Payments are made directly to *Participating Dentists*. No benefits are provided under this Policy for services rendered by a *Non-participating Dentist*, except in the case of emergency medical conditions as specified in Section 36 of this Part IV.

2. WHEN YOUR *PARTICIPATING DENTIST* MAY CHARGE YOU MORE

When your *Participating Dentist* provides covered services, he or she must accept the *Fee Schedule* amount as payment in full. But in the following cases you will be responsible for the difference between the *Plan* payment and the dentist's actual charge for covered services:

- A. If you have received the maximum benefit allowed for services. For example, the maximum dollar amount for a *covered individual* in a calendar year, including the service that caused you to reach the maximum.
- B. If you and your dentist decide to use services that are more expensive than those customarily furnished by most dentists, benefits will be provided towards the service with the lower fee.
- C. If, for some reason, you receive services from more than one dentist for the same dental procedure or receive services that are furnished in a series during a planned course of treatment. In such a case the total amount of your benefit will not be more than the amount that would have been provided if only one dentist had furnished all the services.

3. PRE-TREATMENT ESTIMATES

If your dentist expects that dental treatment will involve a series of covered services (over \$600), he or she should file a copy of the treatment plan with the *Plan* BEFORE these services are rendered to a *covered individual*. A treatment plan is a detailed description of the procedures that the dentist plans to perform and includes an estimate of the charges for each service.

Upon receipt of the treatment plan, we will notify you and your dentist about the maximum extent of your benefits for the services reported.

IMPORTANT NOTE: Pre-treatment estimates are calculated based on current available benefits and the patient's eligibility. Estimates are subject to modification and eligibility that apply at the time services are completed and a claim is submitted for payment. The pre-treatment estimate is NOT a guarantee of payment or a preauthorization.

4. WHEN YOUR COVERAGE BEGINS

The dental services described in this Policy are covered as of your *effective date*, as defined in your application.

5. WE MUST HAVE ACCESS TO YOUR DENTAL RECORDS AND/OR OTHER RELEVANT RECORDS

You agree that when you claim benefits under this Policy, you give us the right to obtain all dental records and/or other related information that we need from any source for claims processing purposes. This information will be kept strictly confidential and is subject to federal and state privacy and confidentiality regulations.

Participating Dentists have agreed to give us all information necessary to determine your benefits under this Policy and have agreed not to charge for this service.

A complete record of the Policyholder's claims experience shall be provided, upon request. This record shall be made available not less than thirty (30) days prior to the date upon which premiums or contractual terms of the Policy may be amended.

6. SUBSCRIPTION CHARGE

The amount of money that you are responsible for paying to *the Plan* for your benefits under this *Agreement* is called your subscription charge. We may not change your subscription charge until the present Schedule of Benefits under this Policy has been in effect for twelve (12) months.

7. WE MAY CHANGE YOUR POLICY

We will send a notice each time we change all or part of your Policy, describing the change(s) being made. Changes to the Policy may include the addition or deletion of riders as well as plan design changes. You can also call our Customer Service department to get information on your plan change. Our telephone number is listed at the end of this Policy.

The notice will tell you the *effective date* of the change and the benefits for services you may receive on or after the *effective date*. There is one exception: If before the *effective date* of the change, you started receiving services for a procedure requiring two or more visits, we will not apply the change to services related to that procedure.

8. WHEN YOUR COVERAGE ENDS

A *covered individual* will not be eligible for coverage when any of the following occurs:

- A. Your dependent child under your *family coverage* attains the limiting age for coverage (please see Part 1 for the definition of Family Coverage and eligibility requirements for dependents). If the *Plan* has accepted premium for the dependent child, coverage will continue in force subject to any right of cancellation until the end of the period for which premium has been accepted.
- B. If you become divorced or legally separated, your spouse's coverage under existing *family coverage* will continue so long as you remain a *subscriber* of the *Plan* and a court judgment provides for such coverage. This coverage will continue until either you or your spouse remarries, or until the date of coverage termination stated in the judgment of divorce or separation, whichever is earlier. If you remarry and your divorce judgment so provides, your former spouse will have the right, for an additional subscription, to continue to receive such benefits as are available to you by means of the issuance of a separate subscription at a single rate under the plan.

9. SUBROGATION

You may have a legal right to recover some costs of your dental care from someone else because another person has caused your illness or injury. When you have this right, you must let us use it if we decide to recover any payments we have made for the illness or injury. However, if you use this right to recover money from someone else, you must repay us for the payments we have made. Our right to repayment comes first. It can be reduced only by our share of your reasonable cost of collecting your claim against the other person, or if the payment received is described as payment for anything other than dental expenses. You must give us information and assistance and sign necessary documents to help us receive our repayment. You must not do anything that might limit our repayment.

10. ENTIRE CONTRACT; CHANGES

This Policy, including the *Schedule of Benefits*, and any applicable rider(s) or attachments, and the Application constitute the entire contract of insurance. No change in this Policy shall be valid until approved by an executive officer of the *Plan* and unless such approval be endorsed hereon or attached hereto. No agent has any authority to change this Policy or to waive any of its provisions.

11. TIME LIMIT ON CERTAIN DEFENSES

- (a) After two years from the date of issue of this Policy, no misstatements, except fraudulent misstatements, made by the applicant in the application for this Policy shall be used to void this Policy or to deny a claim for loss incurred after the expiration of such two year period.
- (b) No claim for loss incurred after two years from the date of issue of this Policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this Policy.

12. GRACE PERIOD

A grace period of thirty-one (31) days will be granted for the payment of each premium falling due after the first premium, during which grace period the Policy shall continue in force.

If a *subscriber* is receiving advance payments of the premium tax credit under the ACA, and the *subscriber* has previously paid at least one full month's premium during the *Benefit Year*, the grace period is extended to three (3) consecutive months. *The Plan* may pend claims made during the second and third months of the extended three (3) month grace period. If the premium is not paid by the end of the grace period, coverage will be terminated as of the end of the first month of the grace period and claims pending during the second and third months of the grace period will be denied.

13. REINSTATEMENT

If any renewal premium be not paid within the time granted the *subscriber* for payment, a subsequent acceptance of premium by the *Plan* or by any agent duly authorized by the *Plan* to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the Policy: Provided, however, That if the *Plan* or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the Policy will be reinstated upon approval of such application by the *Plan* or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the *Plan* has previously notified the *subscriber* in writing of its disapproval of such application. The reinstated Policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the subscriber and the *Plan* shall have the same rights hereunder as they had immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty days prior to the date of reinstatement.

14. NOTICE OF CLAIM.

Written notice of claim must be given to the *Plan* within twenty (20) days after the occurrence or commencement of any loss covered by the Policy or as soon thereafter as reasonably possible. Notice given by or on behalf of the *covered person* to the *Plan* at DentaQuest USA Insurance Company, Inc., c/o DentaQuest, P.O. Box 2906, Milwaukee, WI 53201-2906, or to any authorized agent of the *Plan*, with information sufficient to identify the *subscriber*, shall be deemed notice to the *Plan*. Please include in the notice the name of the claimant if other than the *subscriber* and the policy number.

15. CLAIM FORMS.

- (a) The *Plan*, upon receipt of notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss.
- (b) If such forms are not furnished within fifteen (15) days after the giving of such notice, the claimant

shall be deemed to have complied with the requirements of this Policy as to proof of loss upon submitting, within the time fixed in this Policy for filing proofs of loss, written proof covering the occurrence, the character, and the extent of the loss for which claim is made.

16. PROOF OF LOSS

All claims for benefits under this Policy for services must be submitted within ninety (90) days of the date that the *covered individual* completes the service. Failure to submit the claim within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the claim within the time required, if the proof is furnished as soon as reasonably possible and, except in the absence of legal capacity of the *covered individual*, not later than one (1) year from the time the *covered individual* should have submitted the claim.

If benefits are denied because a *Participating Dentist* fails to submit a claim on time, you will not be responsible for paying the dentist for the portion of the dentist's charge that would have been a benefit under the dental plan. This applies only if the *covered individual* properly informed the *Participating Dentist* that he or she was a *covered individual* by presenting his or her dental plan identification card. The *covered individual* will be responsible for his or her patient liability, if any.

17. TIME OF PAYMENT OF CLAIMS.

Indemnities payable under this Policy for will be paid immediately upon receipt of due written proof of such loss.

18. PAYMENT OF CLAIMS.

Indemnities will be payable to the *subscriber*. Subject to any written direction of the *subscriber* in the application or otherwise, all or a portion of any indemnities provided by this Policy on account of dental services may, at the *Plan's* option and, unless the *subscriber* requests otherwise in writing, not later than the time of filing proofs of such loss, be paid directly to the person rendering such services; but it is not required that the service be rendered by a particular person.

19. PHYSICAL EXAMINATIONS.

The *Plan* at its own expense shall have the right and opportunity to examine a *covered individual* when and as often as it may reasonably require during the pendency of a claim hereunder.

20. LEGAL ACTIONS

No action at law or in equity shall be brought to recover under this Policy prior to the expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of this Policy. No action shall be brought after the expiration of three (3) years after the time written proof of loss is required to be furnished.

21. MISSTATEMENT OF AGE

If the age of a *covered individual* has been misstated, all amounts payable under this Policy shall be such as the premium paid would have purchased at the correct age.

22. UNPAID PREMIUM.

Any premium due and unpaid upon the payment of a claim under this Policy may be deducted from the claim.

23. TERMINATION OF POLICY

A. CANCELLATION BY INSURED

You may cancel your Policy for any reason.

The following termination rules apply when you cancel coverage obtained through the *Exchange*.

If we are unable to effectuate termination in fewer than fourteen (14) days, termination will be effective fourteen (14) days from the date of notice. In such a case, cancellation will be as of your *effective date*. We will refund you the subscription charge you have paid us. We will subtract from the refund any payments made for claims under this Policy. If we have paid more for claims under this Policy than you have paid us in subscription charges, we have the right to collect the excess from you.

C. CANCELLATION DUE TO LOSS OF ELIGIBILITY.

Your Policy will be canceled if you are no longer eligible because you no longer live, reside or work in Indiana. The termination date of this coverage shall be the last day of the month, at 12:01 A.M. Eastern Time, in which we were notified of your move and for which the subscription charge has been paid.

We will notify a *covered individual* of the termination of the *covered individual's* Policy.

Newly born children shall be covered from the moment of birth. Newly adopted children dependent children or grandchildren shall be covered upon the earlier of the date of placement for the purpose of adoption, or the date of the entry of an order granting the adoptive parent custody of the child for purposes of adoption. A minor for whom guardianship is granted by court order or testamentary appointment shall be covered from the date of appointment. A child, who the court orders to be covered under a subscriber's dental coverage, shall be covered from the date of the order.

Failure to notify the *Plan* of new dependents within thirty-one (31) days shall result in the *Plan* never recognizing coverage for the new dependent(s) during the thirty-one (31) days.

28. ENROLLING DEPENDENTS

Under certain situations, dependents may be added to your coverage at any time. Qualifying events could

be a result of court order and your spouse's death. Under those circumstances, you must notify *the Plan* within thirty-one (31) days or six (6) months (only if specified below) of the qualifying event.

a. Death of Spouse – If your spouse dies, you may add your dependent child(ren) to the coverage provided under this Policy at any time and without evidence of insurability if the dependent child(ren) previously were covered under your spouse's Policy or contract. 1. You shall be allowed to enroll in family members' coverage and include the child in that coverage regardless of any enrollment period restrictions.
2. If you are enrolled but do not include the child in the enrollment, we shall allow the noninsuring parent of the child, child support enforcement agency, or any other agency with authority over the welfare of the child to apply for enrollment on behalf of the child.
3. You may not terminate coverage for the child unless written evidence is provided to us that the order is no longer in effect, that the child is or will be enrolled under other reasonable dental coverage that will take effect on or before the effective date of termination.

29. ENROLLMENT THROUGH THE EXCHANGE AND PREMIUM PAYMENTS

Notwithstanding the requirements of Sections 27 and 28 of this Part IV, if coverage is obtained through the *Exchange*, the *Exchange* will enroll qualified individuals and enrollees and terminate coverage in accordance with the requirements of the ACA, the rules promulgated under the ACA, including Parts 155 and 156 of Title 45 of the Code of Federal Regulations, and the requirements of the *Exchange*. The open and special enrollment periods and effective dates of coverage in 45 C.F.R. §§ 155.410 and 155.420 will apply with respect to enrollment through the *Exchange*.

The *Plan* is required to process enrollments in accordance with 45 CFR 156.265, which requires the *Plan* to enroll an individual only if the *Exchange* notifies the *Plan* that the individual is a qualified individual as determined by the *Exchange*.

For coverage obtained through the *Exchange*, premium payments will be required to be made directly to the *Plan* in accordance with the *Plan's* available methods for payment. The first premium payment will be due prior to the effective date of coverage, and premiums will be due monthly thereafter unless a different payment interval is permitted by the *Plan*.

30. WHEN AND HOW BENEFITS ARE PROVIDED

Benefits will be provided ONLY for those covered services that are furnished on or after the *effective date* of this Policy. If before a *subscriber's effective date* he or she started receiving services for a

procedure that requires two or more visits, NO BENEFITS are available for services related to that procedure.

In order for you to receive any of the benefits for which you may have a right, you must inform your dentist that you are a *covered individual* and supply him or her with your *subscriber* identification number and any necessary information needed to file your claim. If you fail to inform your dentist within fifteen (15) months after the services are rendered, we will no longer be obligated to provide any benefits for those services.

31. WE ARE NOT RESPONSIBLE FOR THE ACTS OF DENTISTS

We will not interfere with the relationship between dentists and patients. You are free to select any dentist. It is your responsibility to find a dentist. We are not responsible if a dentist refuses to furnish services to you. We are not liable for injuries or damages resulting from the acts or omissions of a dentist.

33. ADMINISTRATION OF CLAIM AGAINST THE *PLAN* NOT DEEMED WAIVER OF DEFENSE

uncompleted; or (iii) investigating any loss or claim or engaging in negotiations looking toward a possible settlement of any such loss or claim.

34. PRE-EXISTING CONDITIONS

This Policy does not exclude coverage for pre-existing conditions.

35. IMPROPER UTILIZATION CAUSED BY PARTICIPATING DENTISTS

If a *covered person* receives a service from a *Participating Dentist* that would otherwise be a covered service under this Policy but is not covered due to improper utilization caused by a *Participating Dentist*, the *covered person* will be held harmless for any payment denial for such services.

36. EMERGENCY MEDICAL CONDITIONS

Nothing in this *Policy* will prohibit a *covered individual* from seeking emergency care whenever the individual is confronted with an *emergency medical condition*, which in the judgment of a prudent layperson would require pre-hospital emergency services. For purposes of this provision, an “*emergency medical condition*” is a medical condition, whether physical or mental, manifesting itself by symptoms of sufficient severity, including severe pain, that the absence of prompt medical attention could reasonably be expected by a prudent layperson who possesses an average knowledge of health and medicine, to result in placing the health of an insured or another person in serious jeopardy, serious impairment to body function, or serious dysfunction of any body organ or part or, with respect to a pregnant woman, as further defined in section 1867 (e)(1)(B) of the Social Security Act, 42 USC section 1395dd(e)(1)(B).

If a *covered individual* requires services for an *emergency medical condition*, and cannot reasonably be attended to by a *Participating Dentist*, the *Plan* shall pay for the emergency services so that the *covered individual* is not liable for a greater out-of-pocket expense than if the *covered individual* were attended to by a *Participating Dentist*.

37. NON-DISCRIMINATION

The *Plan* complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. Coverage for dental services is made available on the same terms for all individuals, regardless of sex assigned at birth, gender identity, or recorded gender. The *Plan* will not deny or limit coverage to any dental service based on the fact that an individual's sex assigned at birth, gender identity, or recorded gender is different from the one to which such dental service is ordinarily available. The *Plan* will not deny or limit coverage for a specific dental service related to gender transition if such denial or limitation results in discriminating against a transgender individual.

38. EXPLANATION OF BENEFITS (EOB)

Each time we process a claim for you under this Policy, a written notice will be sent to you explaining

your benefits for that claim. This notice will tell you how we paid the claim or the reasons it was denied. The notice is called an Explanation of Benefits or “EOB.”

39. WHO FILES A CLAIM

Participating Dentists: *Participating Dentists* will file claims directly to us for the services covered by this Policy. We will make benefit payments within sixty (60) days to them.

40. REFUND OF UNUSED PREMIUM UPON DEATH OF SUBSCRIBER

If you die during the term of your coverage under this policy, we will refund the prorated unused premium that you have paid. The unused premiums will be paid as follows:
